Dear Alison

### **Annual Audit Fees 2015-16**

We are writing to confirm the audit work that we propose to undertake for the 2015-16 financial year at New Forest National Park Authority.

Our 2015-16 audit is the first that we will undertake following the closure of the Audit Commission on 31 March 2015. Our contract will now be overseen by Public Sector Audit Appointments Ltd (PSAA), an independent company set up by the Local Government Association, until it ends in 2017 (or 2020 if extended by the Department of Communities and Local Government).

The responsibility for publishing the statutory Code of Audit Practice, under which we will conduct our audit work, has transferred to the National Audit Office.

### **Indicative audit fee**

The fee reflects the risk-based approach to audit planning set out in the National Audit Office's Code of Audit Practice for the audit of local public bodies, applying from 2015-16 audits.

The audit fee covers the:

- ▶ audit of the financial statements;
- ▶ value for money conclusion; and
- ▶ whole of government accounts.

For the 2015-16 financial year the Audit Commission set the scale fee for each audited body prior to its closure. The scale fee is based on the fee set in the Audit Commission's 2012 procurement exercise. It is not liable to increase during the remainder of our contract without a change in the scope of our audit responsibilities.

The 2015-16 scale fee is based on certain assumptions, including:

- ▶ the overall level of risk in relation to the audit of the financial statements is not significantly different from that of the prior year;

- ▶ we are able to place reliance on the work of internal audit to the maximum extent possible under auditing standards;
- ▶ the financial statements will be available to us in line with the agreed timetable;
- ▶ working papers and records provided to us in support of the financial statements are of a good quality and are provided in line with our agreed timetable; and
- ▶ prompt responses are provided to our draft reports.

Meeting these assumptions will help ensure the delivery of our audit at the indicative audit fee which is set out in the table below.

We have set the Authority's planned fee at the scale fee level as the overall level of audit risk is not significantly different from that of the prior year.

As we have not yet completed our audit for 2014-15, our audit planning process for 2015-16 will continue as the year progresses. Fees will be reviewed and updated as necessary, within the parameters of our contract.

### Summary of fees

	<b>Indicative fee 2015-16 £</b>	<b>Planned fee 2014-15 £</b>
Total Code audit fee	13,280	13,280

Any additional work that we may agree to undertake (outside of the Code of Audit Practice) will be separately negotiated and agreed with you in advance.

### Billing

The indicative audit fee will be billed in 4 quarterly instalments of £3,320.

### Audit plan

We aim to issue our 2015-16 audit plan in May 2016. This will communicate any significant financial statement risks identified, planned audit procedures to respond to those risks and any changes in fee. It will also set out the significant risks identified in relation to the value for money conclusion. Should we need to make any significant amendments to the audit fee during the course of the audit, we will discuss this in the first instance with the Chief Finance Officer and, if necessary, prepare a report outlining the reasons for the fee change for discussion with the Authority's Resources, Audit and Performance Committee.
